WSC Rifle Range Safety Rules

- ◆ *Know and comply with the three basic firearm safety rules.*

Rule # 1: Always keep the gun muzzle pointed in a safe direction.

Safe direction on Woodruff Rifle Range is down range. No other direction.

Rule # 2: Always keep your finger off the trigger until ready to shoot.

Until command “START” is given, keep finger OFF the trigger.

Rule # 3: Always keep the gun unloaded until ready to use.

Until command “LOAD” is given, do not touch any ammunition.

- ◆ Know and comply with these safety rules.
 - > Always identify your target and know what is beyond it.
Shoot at only your target.
 - > Always have permission before touching a gun.
Until command “You may handle your rifle” do not touch the rifle.
- ◆ Know and obey all range commands.
- ◆ Wear eye and hearing protection.
- ◆ Know where others are at all times.
- ◆ Shoot only at authorized targets.
- ◆ All firearms must remain unloaded with actions open, open bolt indicator in place except when on the firing line and authorized to be loaded.
- ◆ Do not shoot if you are taking any substance that may impair normal mental or physical bodily functions. Beside alcohol and drugs, this includes prescription and non-prescription drugs, e.g., cold medicines that may cause drowsiness, nervousness, balance problems, etc.
- ◆ Do not handle a firearm or stand at the firing line where firearms are present while others are downrange. Move to the rear area of the firing line next to the ready/waiting area.
- ◆ Stop shooting immediately upon the command of “**STOP or CEASE FIRE**”.
- ◆ Anybody on the range may call “**STOP or CEASE FIRE**”; if they think an unsafe condition exists.
- ◆ Leave dropped ammunition and spent brass on the ground until that round of fire is completed and firearms are benched or grounded. Range Safety Officer will advise when it is safe to retrieve dropped ammunition or spent brass.
- ◆ Notify the Range Safety Officer when ammunition has been dropped or all rounds were not shot.
- ◆ Notify the Range Safety Officer when there is a firearm stoppage malfunction. Keep rifle pointed in a safe direction.
- ◆ No live ammunition permitted in the pavilion, the spectator or waiting areas. Live ammunition may only be handled while at the ready line or on the firing line/positions and after permission to given to do so.
- ◆ No eating or drinking on the Rifle range.
- ◆ Clean up all brass, targets, paper, and other debris from the range.

Think Safety – Act Accordingly – Have Fun.

Use this area to describe your experience (good or bad) while participating in the Woodruff Rifle Merit Badge class. Any recommendations to the Woodruff Rifle Merit Badge program would be appreciated.
